

Bancroft TMC

Newsletter April 2018

Dear Residents,

We finally appear to be leaving the cold weather behind and it is good to see the flowers on the estate are finally coming into bloom.

Hyper Optic: The estate is now connected to the fibre optic and we are the first estate owned by LBTH to enjoy this benefit of high speed internet service.

Caretaking: You may have noticed that the caretaking team has now been moved back into patches which we hope will result in an improved service. The details of your assigned Caretaker can be found in the communal noticeboard.

Bike Shelter: We are planning on installing 4 new bread bin type lockable bike shelters before the summer holidays. We will let you know more shortly on cost of renting a space and where the bike shelters will be located.

Source: Cyclehoop 2017

ASB: We continue to receive reports that young men/ youths are acting in an anti-social manner in evenings and weekends especially in and around the play area. In order for our estate to receive

resources to tackle this menace it is vital that residents call the local safer neighbourhood team on **101** when witnessing this type of nuisance. It is clear from speaking to the Police that they are not receiving calls from Bancroft Estate residents.

Community Garden: We have the last few spaces left. If you are interested please contact us on 0207 265 8343 for an application form. The cost of two beds is £20pa but we also have a concession for pensioners and residents in receipt of benefits where the cost is £10pa. We believe this offers excellent value for money and compares favourably with other providers of similar facilities.

Finally we bid farewell this month to Ahmed Alkashmin who has been a loyal, hardworking caretaker with us now for the past few years and we wish him all the best for the future.

Easter Opening hours:

Good Friday 30 March 2018 Closed
Easter Monday 2nd April 2018 Closed

For emergency repairs please contact out of hours service on:

020 7364 5015 / 0800 376 1637
