

July 2018

Bancroft TMC Newsletter

Dear Residents,

Firstly, we would like to thank those residents whom attended our General Meeting on the 27th June 2018. The meeting was a great success and we hope to see you again in the Annual General Meeting (AGM) in September 2018. This will also be a good time to check whether you are a member of the TMC. Membership only costs 10p and allows you to vote in Management Committee elections at the AGM.

We are advertising the annual fruit picking trip which will take place on Wednesday 25th July 2018. We expect tickets to be snapped up pretty fast, so ensure you visit the office during working hours and remember it is on a first come-first serve basis. You will also find enclosed details of the Margate trip which will take place on Wednesday 29th August 2018.

We would like to use this opportunity to remind all residents to ensure all bikes are not stored in communal walkways or any other communal spaces including lobby areas by the lifts. We are introducing a bike shelter project which will be rolled out throughout the estate. We currently have one shelter by Sceptre House which is ready to be let. Please contact us for more details and to register to rent a space.

As technology is advancing, online skills are becoming an essential skill for life; from being active on social media, surfing the net or even helping children with homework. Therefore, those who are not digital literate can be at a disadvantage. The TMC in partnership with Hyperoptic's Broadband will be delivering Digital Inclusion Classes to our residents during the summer. Please visit our office or call us on 0207 265 8343 during working hours for further information.

Finally, as we welcome summer, the hot weather can cause some health risks so, please try and stay in cool places and ensure you keep yourself hydrated by drinking plenty of water.

If you see or experience **Anti-Social Behaviour** report it in confidence!

Tower
Hamlets
